Re: Retransmission Consent Election

Dear Dave Beasley;

Please be advised that KSNV DT, Channel 3.1, Las Vegas, Nevada, invokes its right under Section 325 (b) of the Communications Act of 1954, as amended, and 47 C.F.R. § 76.64 of the FCC rules to negotiate with respect to retransmission consent for carriage of its signal on your system serving Laughlin, Pahrump, Nevada and all other communities and areas served by your region, for the period beginning January 1, 2012 and ending December 31, 2014.

KSNV DT and CMA Communications are currently operating under an active retransmission agreement through December 31, 2014. We look forward to our continued working relationship.

Sincerely,
